CREATE • MOVE • ELEVATE

CREATIVITY. CONNECTION.

A NOTE FROM OUR FOUNDATION

Hope is created when people show up for one another. Our volunteers, families, partners, and supporters turn everyday moments into opportunities for connection and growth. As we look ahead, we remain committed to spaces where young people can create, move, and discover what is possible.

FROM OUR COMMUNITY

Creative arts in action

Workshop materials, ready for creativity

Volunteers connecting with young people

Community arts activities make room for personal expression, friendship and confidence. These photographs show actual foundation programs and volunteers from our archives.

THE ART SUPPLY FUND

Our published $10,000 goal supports paint, canvases, brushes and workshop materials. Help us make creative opportunities more accessible for young people.

MOVEMENT. OPPORTUNITY.

FEATURED CLUB ANNOUNCEMENT

AXIONYX VOLLEYBALL CLUB

SUMMER 2027 TRYOUTS

Preparing for the 2027–2028 season

Axionyx is a registered Puget Sound Region Volleyball club planning its next competitive season. Final tryout dates, locations and team details will be announced once confirmed.

We are actively seeking: practice and training gym space, funding for court rentals and equipment, and community or business sponsors.

S.A.F.E. PASSAGE

SAFE ACCESS TO FUTURE EMPOWERMENT

S.A.F.E. Passage is being developed to address transportation barriers to school, appointments, wellness resources, athletics, employment and community programs. The foundation is seeking surplus or donated passenger vans and transportation partners.

CAN YOU OPEN A DOOR?

Gym owners, school partners, fleet managers, dealerships and donors: introductions and sponsorships can help advance these initiatives. Transportation service depends on safety and operational readiness.

THANK YOU, VOLUNTEERS!

Every hour given, every creative skill shared, and every welcoming interaction helps make the foundation's mission possible. We recognize those who have served our community.
