CELEBRATING JUNETEENTH WITH ART AND UNITY

Dear Friends and Supporters,

We are thrilled to share the highlights of our recent Juneteenth event, "Africatown Juneteenth 2024: Reparations Now Event/Summer Soul," which took place on June 19th at Jimi Hendrix Park. This special day brought together youth, families, and community members to celebrate freedom and unity through art and creativity.

A DAY OF ARTISTIC EXPRESSION

Our Juneteenth event was a resounding success, filled with vibrant colors, joyful faces, and inspiring artwork. Under the theme "Freedom and Unity," young artists explored the topic "What Freedom Means to Me" through painting sessions. It was heartwarming to see the creativity and passion displayed by the youth as they expressed their unique perspectives and experiences on canvas.

COMMUNITY COMING TOGETHER

The event was not just about art; it was a celebration of community. Families and community members gathered to support our young artists, enjoy live music, and participate in various activities throughout the day. The sense of togetherness and shared purpose was palpable, highlighting the power of collective action and community support.

GRATITUDE FOR OUR SUPPORTERS

We're thrilled to announce that we raised $255 in donations during the event! Your generosity will directly support the purchase of art supplies for future workshops and activities, helping more youth express themselves through art, explore, and develop their talents, and give voice to their creativity.

A special thank you to Rainier Beach High School for their generous support, especially Athletic Director George Foster, whose dedication and assistance were invaluable. The provision of chairs and tables from the school greatly contributed to the event's success and comfort.

Thank you, Rainier Beach High School and Athletic Director George Foster, for your invaluable support. We're excited about continuing our partnership in the future.
